Afterword

See? It's not scary
It's not scary

Thank you very much for picking up
We Can't Deny It at this time.

In this manga, a continuation chapter of
the first volume of *You & Me, Eo*.
The Equation to Our Future is completed.

Actually, this *The Equation to Our Future* is
what was newly drawn for the occasion when
I was very grateful that *You & Me, Eo*
had been made into a drama CD.

There's been a considerable amount of time
until the completion, but this time it was finally
put into a volume.

By the way, Toriumi Yousuke-san played the role of
Kenta, and Nojima Kenta-san played the role of Sou.

I want take this occasion to give thanks to
everyone that took part in the drama CD and
to everyone who bought it at that time.

Thank you very much for all that
you did for me then!

Eo (Cafiera) was at first an original work,
but with the creation of the drama CD
and so forth, it became a very profound
memorable work for me.

For Our Future was a work from around 2008 when I look at it now... That is, I would be happy if you enjoyed it even slightly. Someday again I would like to draw what happens with Kaito and Iku afterwards... I would like to try and make Iku dripping with sweat more... []

Let It Go!

I Can Feel by Your Hand is also a work from that same time.

I remember not deciding on a title at all and being worried till the title suddenly came to me at the last minute. I had zero ideas. I'm sorry to trouble you again with another story about childhood friends. The quality of atmosphere in that one is, how should I say, a little different from the other works. It's a little bold, but I'm not sure if I was conscience or not when I was drawing it... What was I thinking at that time...?

I would like to try to, how should I say, break that kind of setting a little more. Also, I like how good the girl's physique is.

About the main story that time, we Can't Deny It. That is a first. That was going to be composed of a three-chapter beginning, middle, and end but because of timing the end chapter ended up becoming really long. And there was more than a year between that and the beginning chapter...

I drew this while thinking, between Suzuki and Saitou, it didn't matter which one was the one. Saitou's short hair was popular with his friends. The short hair is wonderful! This ended up becoming long, but thank you very much for reading till this point! I would be happy if you enjoyed this even slightly. I hope we can meet again someday in a different volume.

T. Saitou

Special thanks.

But a February 1979 report from the same group should be noted. In that report, the group stated that they were about 90 percent certain that the "Bosnian" Indians they were talking to were actually Indian. They were located in India, northeast India, possibly China, and had been coming to the United States for a long time. The group also stated that they were trying to get the "Bosnian" Indians to come to the United States.
